**Ivanhoe Amateur Football Club** is part of the local community. Currently we field 4 teams, Seniors, Reserves, under 19's and a Club 18. With around 100 Registered players in these teams we reach out to a great many families. In fact our Football Club has been providing sporting opportunities to local youth and young adults for over 100 years – perhaps we are the only local Club to do so.

## **YOUR INVITATION TO MAKE A DIFFERENCE!**

We are looking for your support so that the Club can continue to give local youth sporting opportunities into the future.

In this context, we appreciate you taking the opportunity to assess how you may be able to provide financial sponsorship or assistance in kind, for our Club to continue to strengthen and grow.

Please find within, our packages for your consideration.

When deciding whether to provide sponsorship, consideration is given to local community support and development issues as well as how such sponsorship can create business opportunities for your own business.

We believe that in a local community support context, it is a given to provide support to Ivanhoe Amateur Football Club and in a business sense, we are proposing a “MEET & GREET” opportunity for representatives of your organisation to meet the player group, families and associated friends in an informal environment. More importantly our intention is to support your business through either direct purchases or encouraging our playing family to assess services provided by your organisation.

Please give consideration as to how and what level of assistance your organisation could provide to Ivanhoe Amateur Football Club.

Any assistance would be most appreciated!

Should you have any questions, please don't hesitate to contact me, or our sponsorship coordinators.

We look forward to a positive response.
