VALE MARY MILES

The Ivanhoe Amateur Football Club mourns the passing of Life Member Mary Miles, wife of club legend John Miles, who passed away last night from complications resulting from surgery. Mary visited the club every season, accompanying John to most home games. Her involvement with the club, including being a member of the Black & Whites, spanned over 50 years. Her friendly smile will be sadly missed. Mary turned 81 last month and is survived by four children; Heather, Wendy, Leanne and Greg, 10 grandchildren and 2 great-grandchildren. The club extends deepest sympathies to John and all of the Miles family. Please check back shortly for details of Mary's funeral.
