THIRDS COACH ANNOUNCED

It is with pleasure and excitement that the club would like to announce past player and Life Member, Travis O'Neill as the coach of our Thirds team for 2015. Travis, a veteran of 220 games for Ivanhoe, spent time last season helping then Reserves coach Peter Rawley from the sidelines. We look forward to working with Trav as he helps develop our young footballers. If you're interested in helping the Thirds and Travis in an off-field capacity, be it every week or on a semi-regular basis, please let Luke Blackwood know 0418 128 616. In particular we are looking for a game day manager(s). It truly is an exciting time to have a Thirds team up and going, let's get around Trav and the boys.

VAFA SEASON LAUNCH

The VAFA held their Season Launch tonight at the MCG. President Luke Blackwood was joined by Vice-captain Tom O'Donnell and IAFC & VAFA Life Member John Miles. The Season is about to get going, can't wait!

KOI MEETS HODGEY

Today we were represented by Stefan Zervides (KOI) at the AFL Season Launch. Stef got to meet with the AFL captains and was part of a large photo shoot that involved many players from all levels across Victoria. Fair to say, Stef was pretty happy with this picture!

PLEASE LEND A HAND - SPREAD THE WORD

As we near the start of our premiership assault the committee is busy trying to ensure the off-field side of things are taken care of. We are looking to have the match day duties covered well in advance. With four teams competing in 2015, we are searching for family members, past players or supporters to volunteer for one

Saturday to fill one spot for the year, or more if you are able to. These roles include, goal umpire, time keeper, boundary umpire, interchange steward, score board (home games) and water boys. So if you are willing to spend a Saturday supporting us or have a family member that can help please contact either President Luke Blackwood 0418 128 616 or Vice-President Ross Toogood 0412 766 355.

IVANHOE AFC & HOLDEN'S HOME GROUND ADVANTAGE

Some of Ivanhoe's players showed their acting skills recently as we submitted an application for a grant to fix the training lights at Ivanhoe Park. We don't yet know if we have been successful but a big thanks to Blake Curtis for writing and producing this short film, Ed Paynter for filming and Tom O'Donnell, Mitch Lovell, John Benson, Blake Curtis and Ross Toogood for being on screen. Take a look for yourselves!
