VALE JIM NEESON

It is with sadness we report the passing of an Ivanhoe star of the past. Jim Neeson played in the 1950s and was also in the state team as a reserve in 1957 in the game against SA at Olympic Park. Victoria defeated SA 15.9 to 8.3. Those of his playing era speak in glowing terms of his footballing skills. The Ivanhoe family convey our sincere condolences to his family.

DRIVE YOUR SUBS RAFFLE - WIN A CAR!

The club is excited to announce our new initiative aimed at making life easier for our players. Instead of having to fork out subs this season players will be selling 20 tickets each for a raffle where first prize is a brand new car! Second prize will be a holiday to Queensland and third prize will be a set of golf clubs! So once players have sold their 20 tickets, they need not worry about paying the annual subs. This initiative will be run over the pre-season so if you want a ticket or two you will need to start talking to your favourite player! Alternatively, tickets will be available from the club also. An announcement will follow as to when tickets will be available and when the draw will be held, but it will be near the start of the 2013 season. Get on board, GO HOES!

BEST WISHES

The Ivanhoe Amateur Football Club sends it's best wishes to Life Member Ron Tucker. Ron will undergo treatment at Warringal Hospital in Heidelberg on Tuesday and we wish him well and hope for a speedy recovery. Please join us in sending him best wishes.

SEASON 2013

The VAFA yesterday announced the first six rounds for Division 2 for Season 2013! We open our campaign at Ivanhoe Park against Therry Penola in Round 1 and follow this with another

home game, this time against St Mary's Salesian. In Round 3 we head off to Eltham to take on the Turtles. Round 4 sees us return to Ivanhoe Park for a rematch of this years GF against Yarra Valley. Monash Gryphons host us in Round 5 and in Round 6 we host St John's. Stay tuned for the rest of the season next week!
