

EVENT RESHEDULING

Season 2021

Our club is still underway. We're most certainly excited but unfortunately through a situation beyond our control (Covid 19) we are of the opinion that a responsible action would be to reschedule our Big Draw to a date when we can all feel safe and relaxed.

When this project commenced in July 2020 one would have good reason to feel that February 2021 would have been clear for our event; but...

On behalf of my committee I do want to thank you sincerely for your interest and love for our club that allowed you to participate in our special fundraiser.

If anyone would like their money returned we will do that, but easier for us we will be to hold it until our rescheduled date early in the season.

You are receiving this notice because you supported us so generously. Please pass on this information to you buyers with our thanks

I thank you all for your understanding.
